

This is to certify that the quality control procedures of

H2 Pre-Cast Inc.

East Wenatchee, WA

were audited during an on-site plant inspection and have met the requirements stated in the
NPCA Quality Control Manual

Participation in the NPCA Plant Certification Program affirms an ongoing commitment to producing quality precast concrete products. This includes a dedication to continuous improvement in product design, raw materials, manufacturing processes, safety, employee education and customer service.

This certificate is valid through December 31, 2009.
